ARTICLE 1: AGREEMENT AND RECOGNITION

- 1.1 This Agreement made and entered into between the Central New Mexico Community College (hereinafter referred to as the "Employer" or the "College") and the Communications Workers of America (hereinafter referred to as the "Union").
- 1.2 It is the purpose of this Agreement to promote harmonious relations between the Union and the Employer to establish rates of pay, hours of work and other terms and conditions of employment.
- 1.3 It is also the purpose of this Agreement to establish a procedure for the resolution of differences, and to ensure that the Union and the employees in the bargaining unit and the Employer utilize only the procedures contained in this Agreement to resolve any and all employment disputes that arise.
- 1.4 In accordance with Central New Mexico Community College Collective Bargaining Resolution, the College hereby recognizes the Communications Workers of America as the sole and exclusive bargaining agent with respect to wages, hours and other terms and conditions of employment for all non-probationary/non-trial employees covered by this Agreement.
- 1.5 The parties are in agreement that collective bargaining will continue as long as the Governing Board Policy on Labor Management Relations exists, permitting negotiations between the parties, **as long as it is not in conflict with the Public Employee Bargaining Act.**
- 1.6 This Agreement is the only Agreement between the parties and replaces any and all previous agreements.
- 1.7 The employees covered by this Agreement are all full and part-time non-probationary/non-trial employees in the Maintenance and Operations Departments in the following job classifications:

Operations I, Maintenance I, Maintenance II, Utility Custodian, Workforce Training Center Custodian. Job titles are found in Appendix A and will be updated as necessary. Additional job titles can only be added to the bargaining unit by Labor Board action or mutual agreement of the parties and the approval of the CNM Labor Management Relations Board.
- 1.8 During the term of this Agreement the parties agree that the Employer may, at its discretion, revise, amend or eliminate classification titles consistent with Article 22 so long as doing so does not result in a reduction in pay rates during the term of this Agreement. The new titles created shall be considered successor titles to those identified herein and this Article will be considered amended to include those titles.

ARTICLE 2: MUTUAL RESPONSIBILITY

2.1 The College and the Union recognize that it is in the best interest of both parties that all dealings between them be characterized by mutual responsibility and respect.

ARTICLE 3: NONDISCRIMINATION

3.1 The parties to this Agreement (the Union and the Employer) agree that neither the Union nor the Employer will discriminate against any employee based upon race, age, gender, color, national origin, religion, ancestry, marital status, disability, sexual orientation, or Union or non-Union membership.

3.2 The use of masculine and feminine gender or titles in this Agreement shall be construed as including both genders and not as sex limitations.

3.3 Any complaint by an employee alleging discrimination in violation of Title VII of the Civil Rights Act of 1964, will be referred to the Human Resources Consultant located in the Human Resources Department.

3.4 To the extent allowed by law, these issues must be resolved pursuant to this Agreement.

ARTICLE 4: NEGOTIATING PROCEDURES

4.1 Negotiations for a successor Agreement may be initiated by either party by submitting a written notice to the opposite party requesting the commencement of negotiations which will include the full text written non-economic proposal. The Employer will provide its full-text non-economic proposals no later than two weeks prior to the start of negotiations. This language in no way implies a continuing recognition obligation. The notice shall be sent no earlier than one hundred and twenty (120) and no later than ninety (90) days prior to the expiration date of the Agreement. Within a reasonable time period after receiving notice, the party receiving the request for bargaining shall respond in writing and shall suggest a date at which time the parties shall meet and determine a mutually agreed upon time and place to begin negotiations.

4.2 Negotiations ground rules may be negotiated by the parties.

Each team shall designate their team members in writing no later than the first day of negotiations after which date there shall be no change in the composition of each team, absent some catastrophic occurrence in team members (i.e., severe illness, termination of employment, etc.) unless mutually agreed upon. All such written communications from the Union shall be signed by the Vice President of the Union or designated representative.

- 4.5 In the event an impasse is reached, both parties will exchange their last best final proposal. Only the items on these lists will be discussed in mediation. The mediator for impasse will be from the FMCS (Federal Mediation and Conciliation Service).
- 4.6 In the event mediation does not resolve the impasse, either party may request fact finding in accordance with Article 4.7 of the CBA.
- 4.7 In the event of an impasse, upon conclusion of the fact-finding hearing, the fact finder shall recommend only the last best final total package offer of one of the parties. Neither party may alter its final offer as submitted prior to the release of the mediator.
- 4.8 When tentative agreement is reached on a particular provision, it will be reduced to writing, initialed and dated by the respective spokesperson of each party. Such agreements are conditional and may be withdrawn should subsequent discussions change either team's understanding of the language as it relates to another part of the Agreement.
- 4.9 The parties agree that all non-economic issues will be negotiated and agreed upon to the extent possible prior to negotiating economic issues.
- 4.10 Members of the union negotiation team will be released from duty without pay in order to participate in the negotiations so long as doing so does not create an operational problem for CNM.
- 4.11 There shall be no new non-economic proposals or issues allowed by the employer or the union after it has complied with the provisions of 4.1 above.
- 4.12 The size of the negotiating teams shall be limited to seven (7) on each side and only those specifically identified people will be allowed to attend the negotiation sessions unless mutually agreed otherwise.
- 4.13 CNM Governing Board Resolution 2007-69, Section 15 C (3), will govern impasse and contract extension, **as long as nothing in this agreement shall serve as notice that the Union affirmatively elects to continue to operate under the Local CNM board.**

No additional negotiations will be conducted on any item, whether contained herein or not, except by mutual agreement of the parties. This Agreement replaces any and all previous Agreements between the parties.

30.2 The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to all proper subjects of collective bargaining and that all such subjects have been discussed and negotiated upon and agreements contained in this Agreement were arrived at after the free exercise of such rights and opportunities; therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and without qualification waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

ARTICLE 31: SEVERABILITY

31.1 If any portion of this Agreement is determined by a final order of an administrative agency or court with jurisdiction over the parties to be contrary to law, the affected provision shall be rendered null and void. All other provisions not affected by the illegal provision shall remain in full force and effect.

ARTICLE 32: SAFETY SHOES

32.1 In the event Employer requires employees in the bargaining unit to wear safety shoes, Employer will pay up to \$175 for such purchase on an annual basis.

ARTICLE 33: TERMS OF AGREEMENT

33.1 This Agreement shall become effective upon the signature of the parties, subject to approval by the CNM Governing Board and shall remain in full force and effect until June 30, 2022.

33.2 During the term of this agreement, wage adjustments approved by the Board for the Maintenance and Operations bargaining unit members will be provided in accordance with the Governing Board resolution, except those employees identified above the maximums. Those employees above the maximum will receive a lump sum payment over the year which does not increase their base rate of pay.

If the CNM governing Board determines that a wage decrease is necessary, CNM will notify the union promptly. Within a 10-day period from such notification, the parties shall meet no more than three times to discuss ideas for possible alternatives to pay decreases or how best to implement such a decrease. Either party may ask FMCS to attend meetings, but if FMCS is not available, the parties will still meet.

At the completion of the 10-day period, CNM may implement the decrease at its discretion.

In the event that CNM determines there are sufficient revenues that allow for wage increases, there shall be one wage opener during the term of this Agreement. For the remaining fiscal years, increases approved by the board will be provided in accordance with the Governing Board resolution.

This reopener will apply one time during the term of this Agreement.

33.3 This Agreement may be extended by mutual agreement of the parties.

IN WITNESS WHEREOF, the parties hereto have caused final agreement on their behalf.
