

Yes, I want to build power for working people!

Together we will continue the fight to:

- **Strengthen worker power** by passing legislation like the *PRO Act* and the *Public Service Freedom to Negotiate Act* that will make it easier for private and public sector worker to organize unions and bargain fair contracts.
- **Build a fair democracy** by passing legislation the the *For the People Act* so our government serves the people, not just wealthy and corporate interests, and everyone can exercise their right to vote.
- **Protect good union jobs** by stopping offshoring and outsourcing of work.
- **Ensure the tax code works for everyone** by making sure the super wealthy and corporations pay their fair share.
- **Ensure quality, affordable internet access for all**, built by union workers.

Every dollar you give to CWA PAF is put to work building political power for you, your family, and your future. Through PAF, CWA will have the strength we need to elect pro-worker legislators and fight for issues that matter to us.
